Make a file smaller

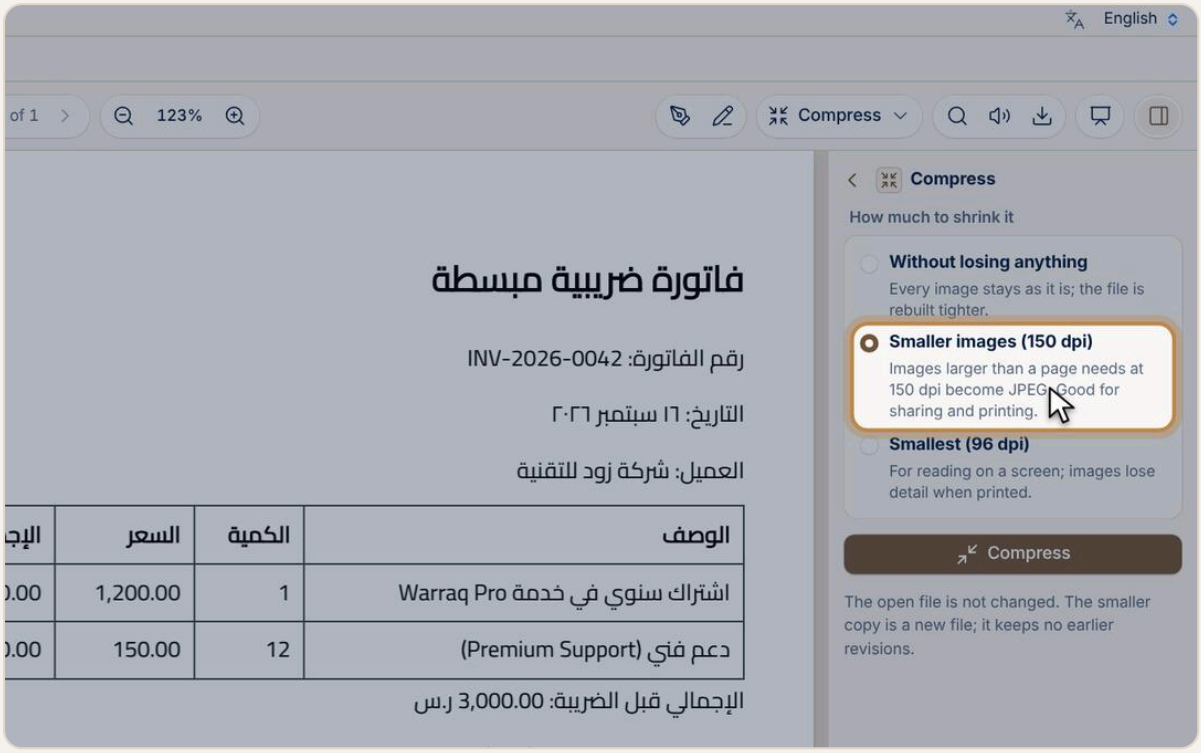

Compress it so it goes by e-mail or WhatsApp easily.

STEPS

1 Open the file, then choose Compress in the tools list.

2 Choose how much to shrink it. Smaller images suits sharing and printing.

3 Press Compress. You see the size before and after; then save the smaller copy.

In the app: open Help › Help & Support, find this guide, then press Show me or Do it for me.
