Combine several files into one

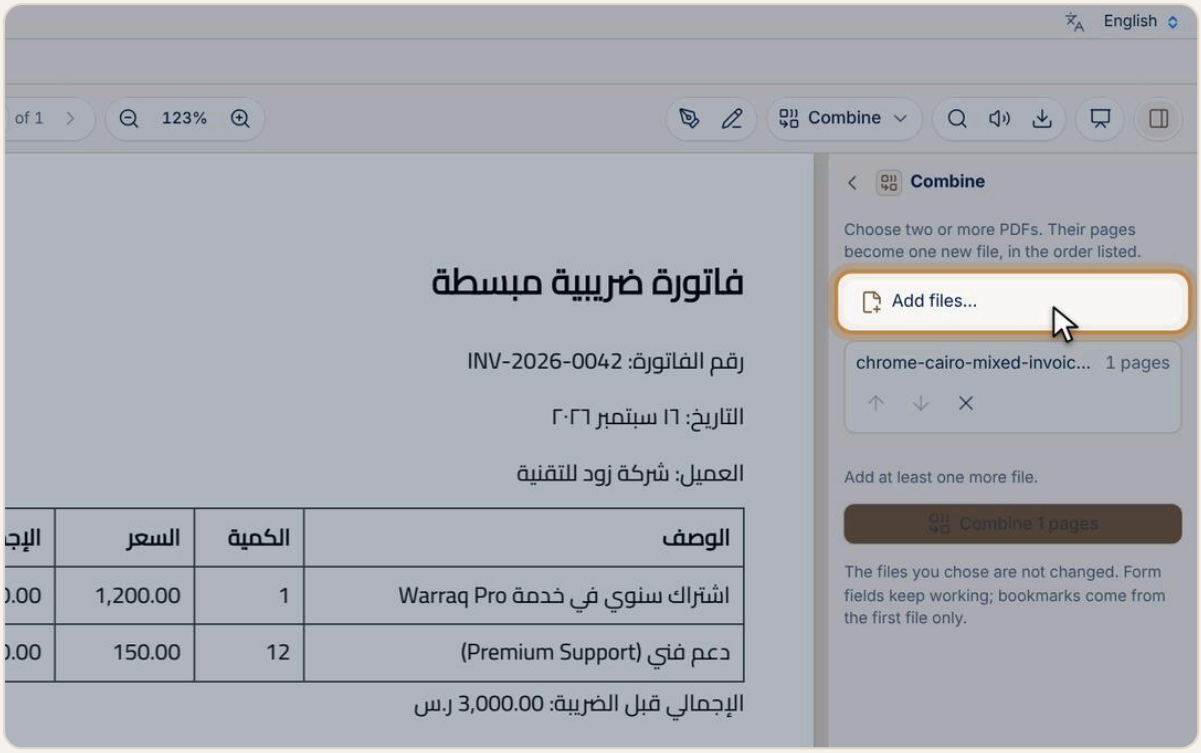

PDFs, pictures and Office files into one PDF.

STEPS

1 Choose Combine in the tools list. The open file is the first one.

2 Press Add files..., pick the other files, then put them in order with the arrows.

3 Press Combine pages and save the new file.

TIPS

On the computer: select the files in a folder, right-click and choose Combine, without opening the app.

In the app: open Help › Help & Support, find this guide, then press Show me or Do it for me.
