Combine several files into one

PDFs, pictures and Office files into one PDF.

STEPS

1. Open the Combine tool.
2. Add the files and drag them into order.
3. Press Combine and save the new file.

TIPS

On the computer: select the files in a folder, right-click and choose Combine, without opening the app.

In the app: open Help › Help & Support, find this guide, then press Show me or Do it for me.
