Quick tools without opening the app

In the desktop app

Right-click or the ring: compress, combine, convert straight away.

STEPS

1. Select one or more files in a folder, right-click, then choose the tool.
2. Or drag the files with Ctrl held to bring up the ring, and drop them on a tool.
3. Arrange the tools in Settings › Quick tools.

In the app: open Help › Help & Support, find this guide, then press Show me or Do it for me.
