Report a problem or suggest an idea

No account: write the problem and follow its status, or vote for ideas.

STEPS

1. Open Help › Help & Support, then Report a problem.
2. Write what happened. You see everything that will be sent and choose whether to attach the log and a picture.
3. Its status shows in the same list: open, in progress, fixed.
4. In Ideas, write your own idea or vote for others.
