Report a problem or suggest an idea

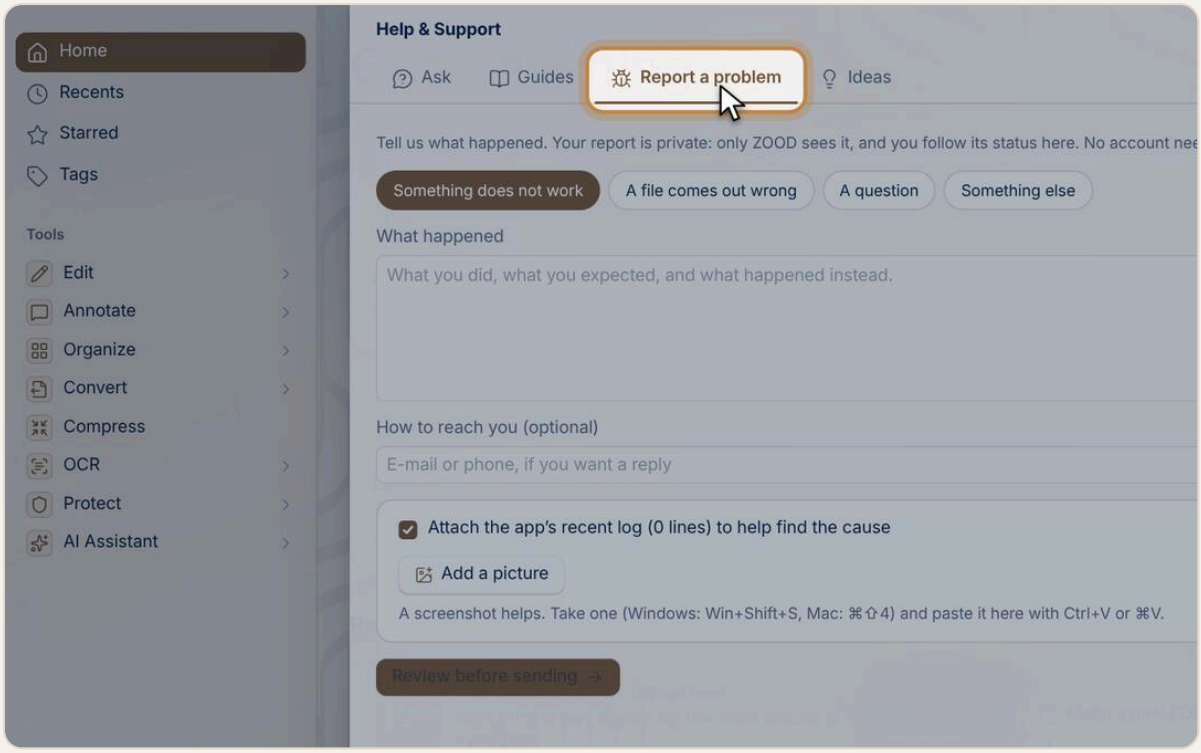

No account: write the problem and follow its status, or vote for ideas.

STEPS

1 Open Help › Help & Support (or press F1).

2 Under Report a problem, write what happened. You see everything before it is sent, and choose whether to attach the log and a picture.

3 Its status shows in the same list: open, in progress, fixed.

4 Under Ideas, write your own idea or vote for others, with no account.
